

## I Might Slip Again

*Music & Lyrics: Darlene Olson*

If I lived, to be a hundred  
Would you stay with me?  
And if I lived in a box  
Would you come live with me?  
You've lived your life in shadows  
Waiting for the day  
When I would turn my life around  
And honestly say

All the pain and all the suffering  
That I've put you through  
Empty words and broken promises, that I never knew  
Every time that I would stagger into the house  
You'd love me unconditionally  
While we made love

### Chorus

I'm promising... never  
I will make you feel pain  
You've given so much for me  
Never once did you complain  
You've always been with me  
Through the thick and the thin  
But darling just know  
That I might slip again

I'm not proud or excited  
About the things I've done  
But I can say, that I'm proud of  
Who I've become  
Cause if not for your lovin'  
I wouldn't be here today  
Your love has taught me lessons  
About how to say

### Chorus

"So if I lived to be a hundred, would you stay with me?"
